CHAPTER 191

An act to amend Sections 11105 and 11105.3 of the Penal Code, relating to privacy.

[Approved by Governor September 27, 2020. Filed with

LEGISLATIVE COUNSEL'S DIGEST

SB 905, Archuleta. Criminal history information requests.

Existing law directs the Attorney General to furnish state summary criminal history information, as defined, to specified individuals, organizations, and agencies when necessary for the execution of official duties or to implement a statute or regulation. Existing law also directs the Attorney General to disseminate federal criminal history information when specifically authorized and upon a showing of compelling need. Existing law authorizes a human resource agency or an employer to request from the Department of Justice records of all convictions or any arrest pending adjudication involving specified offenses of a person who applies for a license, employment, or volunteer position, in which they would have supervisory or disciplinary power over a minor or any person under their care. Existing law requires a request for records to include the applicant's fingerprints and any other data specified by the department. Existing law requires the department to furnish the information to the requesting employer and to send a copy of the information to the applicant.

This bill would establish procedures for individuals, organizations, and agencies to request a fingerprint-based criminal history information check from the Department of Justice. This bill would establish a process for communication between the department and the Federal Bureau of Investigation and require a department response to the requesting individual, organization, or agency. This bill would prohibit the department from requiring the applicant's residence address for the purpose of these requests..

The people of the State of California do enact as follows:

The department shall furnish the information to the requesting employer and shall also send a copy of the information to the applicant.

(b) Any request for records under subdivision (a) shall include the applicant's fingerprints, which may be taken by the requester, and any other data specified by the department. The department shall not require the applicant's residence address for any request for records pursuant to subdivision (a). The request shall be on a form approved by the department, and the department may charge a fee to be paid by the employer, human resource agency, or applicant for the actual cost of processing the request. However, no fee shall be charged to a nonprofit organization. Requests received by the department for federal level criminal offender record information shall be forwarded to the Federal Bureau of Investigation by the department to be searched for any record of arrests or convictions.

(c) (1) When a request pursuant to this section reveals that a prospective employee or volunteer has been convicted of a violation or attempted violation of Section 220, 261.5, 262, 273a, 273d, or 273.5, or any sex offense listed in Section 290, except for the offense specified in subdivision (d) of Section 243.4, and where the agency or employer hires the prospective employee or volunteer, the agency or employer shall notify the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer. A conviction for a violation or attempted violation of an offense committed outside the State of California shall be included in

this notice if the offense would have been a crime specified in this subdivision if committed in California. The notice shall be given to the parents or guardians with whom the child resides, and shall be given at least 10 days prior to the day that the employee or volunteer begins their duties or tasks. Notwithstanding any other law, any person who conveys or receives information in good faith and in conformity with this section is exempt from prosecution under Section 11142 or 11143 for that conveying or receiving of information. Notwithstanding subdivision (d), the notification requirements of this subdivision shall apply as an additional requirement of any other provision of law requiring criminal record access or dissemination of criminal history information.

(2) The notification requirement pursuant to paragraph (1) shall not apply to a misdemeanor conviction for violating Section 261.5 or to a conviction for violating Section 262 or 273.5. Nothing in this paragraph shall preclude an employer from requesting records of convictions for violating Section 261.5, 262, or 273.5 from the Department of Justice pursuant to this section.

(d) Nothing in this section supersedes any law requiring criminal record access or dissemination of criminal history information. In any conflict with another statute, dissemination of criminal history information shall be pursuant to the mandatory statute. This subdivision applies to, but is not limited to, requirements pursuant to Article 1 (commencing with Section 1500) of Chapter 3 of, and Chapter 3.2 (commencing with Section 1569) and Chapter 3.4 (commencing with Section 1596.70) of, Division 2 of, and Section 1522 of, the Health and Safety Code, and Sections 8712, 8811, and 8908 of the Family Code, and Section 16519.5 of the Welfare and Institutions Code.
