

AMY CROSS

Amy is a dedicated student of law, currently supporting our clients in a Paralegal role, while pursuing her Juris Doctor.

Legal Experience

With an associate's degree in paralegal studies, Amy began her legal career in criminal law before transitioning to the El Dorado County Superior Court, where she spent 18 years as a court clerk. During that time, she served as the judgment clerk in the Family Law Department, gaining extensive experience in court procedures and family law matters.

In 2022, she took a major step toward her long-term goal of becoming an attorney by enrolling in Northwestern California University School of Law. In 2024, she began working as a family law paralegal, later expanding her focus to employment law when she joined Holden Law Group in May of 2025. She is currently on track to graduate at the end of 2026 and plans to sit for the California Bar Exam in February 2027.

Activities and Interests

When she's not studying, she enjoys spending time outdoors with her husband, their two children, and their Boston Terrier. Most weekends, they can be found on the river, at the lake, or in the mountains—either paddleboarding, fishing, hiking, or camping.
